REVIEW ORDERED INTO PADDINGTON BOWLING CLUB

Acting Premier Andrew Stoner has ordered a review into the transfer of the lease for Paddington Bowling Club, which commenced in 2009 under the former Labor Government.

“In recent weeks I have received a number of representations from the community and from Woollahra Council raising serious allegations of misconduct regarding the transfer of this lease,” Mr Stoner said.

“We take these allegations seriously and have listened to the community’s calls for a review into this matter.

“I have therefore asked the Secretary of NSW Trade & Investment Mark Paterson AO to conduct a review into the matter. This investigation will be independent from the Division of Crown Lands,” he said.
