EXHIBITION OF A DRAFT PLAN OF MANAGEMENT FOR NARRABEEN LAGOON

Minister for Primary Industries, Katrina Hodgkinson, has announced that a draft plan of management for the Narrabeen Lagoon is now on public exhibition.

Katrina Hodgkinson said the draft plan identifies management activities for the lagoon that will deliver positive outcomes for the local community.

“This plan acknowledges the need to address and provide solutions for many issues that impact on the lagoon,” Katrina said.

“The plan has been prepared to provide a co-ordinated approach to future management of the lagoon and care of the environment.

“It has been developed through a process of consultation to ensure that the views of the community and other stakeholder groups have been considered.”

The plan was funded jointly by Warringah Council and the Crown Lands division of the Department of Primary Industries (former Land and Property Management Authority).

The exhibition is being undertaken by Warringah Council in its role as manager of the Narrabeen Lagoon reserve trust.

The draft plan of management may be inspected during normal business hours at:

- Warringah Council’s civic centre, 725 Pittwater Road, Dee Why and on council’s website www.warringah.nsw.gov.au and
- Crown Lands division office, Level 12, 10 Valentine Avenue, Parramatta and online at www.lpma.nsw.gov.au

Community feedback is invited on the draft plan with written submissions to be addressed to:
