## HAVE YOUR SAY ON PLANS FOR THE MOREE RACECOURSE

The new draft Plan of Management for the popular Moree Racecourse, in North Western NSW, is now on public exhibition.

Acting General Manager Crown Lands Operations, Michael Kniepp, said the Draft Plan of Management discusses future development options, on-going public use and seeks public comment from the local community.

“The Draft Plan identifies management actions to deliver positive outcomes for the Moree community, including options for relocating Showground facilities and activities from the Moree Showground site to the Moree Racecourse,” Mr Kniepp said.

“It is very important for the community to review the Draft Plan and provide feedback to the Crown Lands Division.”

“I urge everyone with an interest in racing and the local community to take the time to have a look,” he said.

The exhibition is being undertaken by the Catchments and Lands Division of the Department of Primary Industries on behalf of the Moree Racecourse Trust.
