EXPRESSION OF INTEREST FOR LAND AT NARRABRI

The Crown Lands Division of the Department of Primary Industries is seeking expressions of interest for the development of 53 hectares of land for Aged-care, residential or commercial use in Narrabri.

Acting General Manager Crown Lands Operations, Michael Kneipp, said the expression of interest process provides the opportunity for interested parties to submit development proposals that will contribute to the economic growth of Narrabri and surrounding districts.

“A general assessment process will take place following the receipt of submissions,” Mr Kneipp said.

“It is anticipated that a preferred proponent or proponents, will be identified with a view to negotiating a lease agreement or a contract of sale for the site,” he said.

The expression of interest process is being undertaken by the Catchments and Lands Division of the Department of Primary Industries.

The Expression of Interest documents may be inspected online at www.crownland.nsw.gov.au or during business hours at:
