Subject: Re: Hillston Common Trust - thoughts on the proposal

Hello

There would only be 2 points of interest in regard to the Hillston Common that I would raise;

Firstly, it would be very important to us that the current Plan of Management, that was developed in accordance with the current statutory framework, remains a usable document.

Secondly, upon transitioning to a Reserve under the new Act, it is quite likely that we will act to have a community trust appointed.

If there is any further comment that you would like me to provide, please let me know.

Regards

Joshua Higgs
