Subject: ST ALBANS COMMON

To Whom it May Concern – the Minister for Crown Lands,

Dear Sir/Madam.

I am writing to you to oppose any attempt by the Government to take control of the COMMON OF ST ALBANS. This piece of land has been in the good hands of the community of St Albans for over 200 years and should not be resumed by the Government to become Crown Lands.

Even the Minister for Hawkesbury Dom Perrottet says it is a unique example of social, economic, environmental and cultural heritage which should remain as it is.

What on earth would it benefit the Government to make this Crown Land?

It must be left how it is for the unique benefit of the people of St Albans, of the Hawkesbury (where heritage and the care of it has changed Governments) and of the Nation.

Yours Sincerely.

Nina Butler
