COMMUNITY MEMBERS APPOINTED TO MANAGE KILLALEA STATE PARK TRUST

Trade and Investment Crown Lands has announced the appointment of community members to the trust that manages Killalea State Park, at Shell Cove.

The department congratulates Lynette Patricia Cuell, Samuel Edwards, Chris Homer and Helen Stewart on their re-appointment to the reserve trust board.

Killalea State Park is a popular location for surfing, camping, picnics, fishing, swimming, walking, bird watching and weddings.

The department is grateful for the efforts of all the trust members who help manage some of the 35,000 Crown reserves across NSW.

Around 700 reserves are looked after by community volunteers, who help care for valuable local infrastructure such as public halls, parks and reserves, swimming pools and smaller sportsgrounds.

Backed by the skills, experience and enthusiasm of trust members, the NSW Government is working hard to protect important community assets and encouraging people to use them.

People considering getting involved with their local trust can find more information and application forms on the Crown Lands website at www.crownland.nsw.gov.au.

Trust members are also eligible for the annual Lands Crown Reserve Trust Award which recognises the important work trust members do for the community.
