

The Hon. Andrew Stoner MP
Deputy Premier of NSW
Minister for Trade and Investment
Minister for Regional Infrastructure and Services

MEDIA RELEASE

Friday 12 July 2013

PUBLIC COMMENT NEEDED ON TYALGUM RESERVE PLAN

Deputy Premier Andrew Stoner is encouraging community members of the far north coast to comment on a draft plan of management for the Tyalgum Public Recreation and Preservation of Native Flora and Fauna Reserve on the NSW-Queensland border.

“The plan prepared by the community-based reserve trust board is now on public exhibition for four weeks,” Mr Stoner said.

“It provides the management framework to introduce improvements for future public use and enjoyment.

“The plan identifies a number of improvements to the natural assets, infrastructure and facilities on the reserve.”

Member for Lismore Thomas George said the 10.5 hectare reserve includes a sports oval, flora reserve, an informal camping area and public open space.

“The amenities are quite basic and are in need of upgrading or eventual replacement,” Mr George said.

“It is proposed by the trust to establish a primitive camping ground on the reserve.

“They have a number of ideas for improvements so I hope the community takes the opportunity to review the plan and have their say.”

The draft Plan of Management will be on exhibition for 28 days until Friday 9 August 2013 and may be viewed online at www.crownland.nsw.gov.au or at the Grafton Crown Lands Office, Level 3/49-51 Victoria Street; Tweed Shire Council, Murwillumbah Civic Centre, Tumbulgum Road Murwillumbah; and at the Tyalgum Post Office.

Feedback on the plan can be emailed to graftoncrownlands@lands.nsw.gov.au or posted to: Senior Manager Far North Coast, Crown Lands PO Box 2815 DANGAR NSW 2309.
